Graduate Studies Office

Research Credit Pre-Approval Form

- Meet with your Advisor & Research Mentor to discuss your research goals for the semester.
- **1 credit hour of research is equal to approximately 3 hours of work per week.**
- Return signed Research Credit Pre-Approval form to the Graduate Studies Office.
- **Register for correct number of research credit hours.** Each student is responsible for adding their approved research credit hours in [Catalyst](#) and following the [UC Office of the Registrar Dates & Deadlines Calendar](#).
- Permission to register will NOT be granted if a student has an “NG” or “I” research grade on their current academic record.

Name: _____

Date: _____
