2 weeks (± 2 days)	UC Transplant Clinic	Surgeon	✓	✓	✓	✓	✓	
6 weeks (± 10 days)	UC Transplant Clinic or Virtual Visit	Surgeon or Hepatologist	✓	✓	✓	✓	✓	✓
6 months (± 15 days)	UC Transplant Clinic	Surgeon or Hepatologist	✓	✓	✓	✓	✓	✓ <sup>3</sup>
12 months (± 30 days)	UC Transplant Clinic	Surgeon or Hepatologist	✓	✓	✓	✓	✓	✓ <sup>3</sup>
24 months (± 60 days)	UC Transplant Clinic	Surgeon or Hepatologist	✓	✓	✓	✓	✓	✓ <sup>3</sup>

<sup>1</sup> Additional post donation visits may be scheduled if clinically indicated

<sup>2</sup> Follow up at UC Transplant Clinic may not always be feasible due to geographical distance or financial constraints. In these cases, the Living Donor Transplant Coordinator will make every attempt to ensure donor follows up with their Primary Care Physician or at a minimum obtains the necessary laboratory testing and functional status assessments.

<sup>3</sup> Information will be used by the Liver Living Donor team to complete and submit 6, 12 and 24 month Follow Up Forms per OPTN Policy 18.5.B
