FIRST IMPRESSIONS		RATING
Overall	From my initial glance at this poster, I am interested in learning more.	
Title	Clear and concise; conveys the main finding; engaging.	
Authorship	Author details are complete.	
Headings	Appropriate and logically organized to guide viewers.	
Text/Whitespace	Text legible with uncluttered balance between text, figures, and whitespace.	
Color Scheme	2-3 colors used in a visually appealing manner.	
POSTER CONTENT		RATING
Purpose	The project's purpose is clearly stated. Research Project = hypothesis or research question Service Project = project aim or goal	
Relevance	The topic of the study represents an important or emerging area of research or service.	
Introduction	The introduction provides sufficient background and rationale for pursuing the research or service project. (Literature review demonstrates knowledge gap; community needs demonstrated or formal assessment performed.)	

2021 UCCOM Research and Service Symposium

Methods & Procedures	Methods clearly explained and concise. Study group/community benefactor explicitly defined.	
Results	The results and impact clearly stated with minimal text. Figures/tables/pictures easily understood with labels and captions, negating the need for excessive text.	
Conclusions & Discussions	Conclusions logical and valid (supported by the results section). An evaluation of the project is provided: Research = strengths and limitations, next steps Service = community impact, project sustainability, future work	
RECORDED POSTER PRESENTATION		RATING
Organization	Oral presentation clear, comprehensive, and succinct. Speaking rate appropriate for you as a listener.	
Use of Poster During Presentation	Rather than reading text, the presenter highlighted figures, tables, and images to explain important findings.	
Overall	The student was enthusiastic and communicates well.	
DISCUSSION DEN		RATING
Knowledge	Student able to provide additional explanation or information when asked.	
Response to Questions	Questions answered clearly and succinctly.	
Understanding of Work	The student demonstrated a strong understanding of the work they performed and implications the project will have in their given research or service area.	
Final Impression	The overall appearance, content, and your final impression are outstanding. Taken together, the poster and presentation clearly convey the results of the student's work.
