

**FEE WAIVER FOR THE
UNIVERSITY OF CINCINNATI COLLEGE OF MEDICINE'S SECONDARY APPLICATION**

Applicants approved for the AMCAS Fee Assistance Program (FAP) will receive a fee waiver for the University of Cincinnati Secondary Application.

For the University of Cincinnati College of Medicine (UCCOM) to waive the UC Secondary Application fee, you must first apply for and receive approval via the AAMC Fee Assistance Program (FAP).

Only after receiving FAP approval will the UCCOM's fee be waived. Also, please be aware that communication from the AAMC to medical schools concerning an FAP approval requires 24-48 hours.

After receiving notification, you will not be prompted for payment information when submitting the Secondary Application. **If you have received a FAP waiver, do not submit the Secondary if prompted for payment; but instead, contact the Admissions Office at (513) 558-7314.** The college cannot refund payment.

If you were not approved for the AAMC FAP, but you believe that your socioeconomic circumstances objectively represent a significant barrier to applying to medical schools, you may request consideration to have your UCCOM secondary application fee waived. To request a fee waiver, email MDAdmissions@uc.edu. In your email you should describe your rationale for being considered socioeconomically disadvantaged.

Steps to Submit the UC Secondary Application with AAMC FAP

Step 1: Receive **Approval** from AMCAS for the Fee Assistance Program: <https://www.aamc.org/students/applying/fap/>.

Step 2: After receiving confirmation that you have qualified for the FAP waiver, please wait at least 24 hours before submitting the UC Secondary Application.

Step 3: Once 24 hours have elapsed since you received confirmation from the AAMC about your approval for the FAP, you will be able to submit the UCCOM Secondary Application without payment.

If you are asked for payment during submission, contact the Admissions Office at (513) 558-7314 or MDAdmissions@uc.edu.

If you have not already, DO NOT SUBMIT A PAYMENT. THE ADMISSIONS OFFICE CANNOT ISSUE A REFUND.
