SURF Application Now Live!
The University of Cincinnati College of Medicine and Cincinnati Children’s host approximately 160 undergraduate students from all over the country each summer in the Summer Undergraduate Research Fellowship (SURF) program. This highly competitive program offers a 9 or 10 week paid research opportunity from May 26th through July 31, 2020. In addition to providing a full-time research experience, the SURF program sponsors social activities and other enrichment activities including instruction in ethics, scientific writing, Immunology, and professional development. Faculty interested in serving as a mentor should contact Cindy.Bachurski@uc.edu. The student application is available: http://med.uc.edu/surf.

Congratulations to our Clinical/Laboratory Research Professional Awardees.
The College of Medicine is proud to recognize Tonya LaSorella-Dorst, RN, CCRC, Department of Surgery, Division of Transplantation as our Clinical Research Professional Award recipient.
