1819 Innovation Hub: MSB Office Hours.
The Office of Innovation will host office hours in MSB E313 every Tuesday between 7:30 a.m. and 11:30 a.m. This will be a great opportunity to have the resources of the 1819 Innovation Hub directly plugged into the building. Faculty may visit office hours to discuss projects, resources, or get any other help one may need. Keep an eye out for their 1819 banner to know when they are in the building. For more information on the 1819 Innovation Hub visit: http://uc1819.com/.

Reminder from Sponsored Research Services.
Don’t forget to record expenditures in a timely manner to avoid additional scrutiny by the Program Officer and Grant Specialists which could result in possible reductions to the future years award budget. Also, it will help to avoid cost transfers and associated extra work.
