Frequently Asked Questions

Q. What is the purpose of Secondary/Excess Accident Insurance?

A. The coverage is intended to help cover medical expenses related to a covered injury that results from your participation in school's activities. The policy pays after any other valid/collectible insurance that the student carries. The Secondary Accident Insurance is designed to cover expenses left to the patient's responsibility on their primary insurance Explanation of Benefits (EOB), such as co-pays, deductibles, and coinsurance for eligible medical treatment.

Q. In addition to the Claim Form, what documents are needed in order for the Student Accident Insurance to process a claim?

A. The provider must submit the following documents to the Claims Administrator, Bollinger Specialty Group:

1) **Itemized Medical Bill** – The provider will either bill the claims administrator with a **HCFA 1500** or **UB04**, and it will contain the following information:

- Provider's Name and address
- Tax ID Number
- Date(s) of Service
- Diagnostic Code(s) and Procedure Code(s)
- The Fee for Each Procedure

2) **Primary Explanation of Benefits (EOB)** – This is a statement from your primary insurance company that outlines what charges will be covered or denied, and what will be left as patient responsibility (co-pay, coinsurance, deductible, etc.).

Q. How long is a student covered under the school's policy?

A. The policy has a **one year benefit** period from the date of a covered injury.
